

# Western Regional Board's Lucy Jordan Recognition Award

The Lucy Jordan Award is a humanitarian award presented to an individual from the Western Region who best exemplifies the generous and open-hearted spirit of Lucy Jordan. Recipients are members or nonmembers who have gone above and beyond to support and nurture the membership of Actors' Equity Association. The award is given annually when possible.

The award honors those who make the theatrical experience special. It can be anyone whose interaction, time and focus allows members the freedom to do their best as artists. Examples include a board member who houses out-of-town performers and stage managers, a volunteer who makes sure there is a great meal on tech days, an audience member or reviewer who actively supports the local theatrical community or a brilliant dresser who keeps everyone calm while accomplishing the impossible.

**NOTE: THE LUCY JORDAN RECOGNITION AWARD  
IS NOT LIMITED TO EQUITY MEMBERS**

The award will be presented either at the January Membership Meeting or at the appropriate Liaison Area Membership Meeting following the selection of the honoree. The recipient will receive an individual plaque, and his/her name will also be engraved on the Lucy Jordan plaque commemorating the award in the lobby of the Los Angeles Equity office.

Nomination forms for the Lucy Jordan Award are available to Members in good standing through Actors' Equity Association, on the website and from audition monitors.

**NOMINATION DEADLINE: MAY 1, 2018**
